## Machine Introduction

- 1.Product Range: Electronic wire, Teflon cables, silicone wires, fiberglass wires, isolation wires, coaxial cables, sheathed cables
- 2.AIO machine: Full automatic cutting, stripping, middle stripping and twisting, save human cost;
- 3.Computer Controlled, easy to operate;
- 4.High output and high accuracy;
- 5.High precision
- 6.Intelligent control system

|                    |                                        |
|--------------------|----------------------------------------|
| Model              | EIBC-220T                              |
| Voltage            | AC110V/220V                            |
| Power              | 220W                                   |
| Frequency          | 50HZ/60HZ                              |
| Operation System   | Intelligent Control                    |
| Display            | LCD                                    |
| Cable SPE          | AWG#12-AWG#32                          |
| Stripping Length   | 0.1-99mm (depends on material of wire) |
| Twisting Length    | 0.1-30mm                               |
| Cutting Tolerance  | $\pm(0.002*L)$ mm                      |
| Max Cutting length | 0.1-6000mm                             |
| Speed of Stripping | 6000PCS/H                              |
| Noise Level        | <70dBA                                 |

|                        |                                                      |
|------------------------|------------------------------------------------------|
| Net Weight             | 45KG                                                 |
| Gross Weight           | 47KG                                                 |
| Package                | Export Wooden Case                                   |
| Package Size           | 48*75*39cm                                           |
| Machine Size           | 45*72*36cm                                           |
| Delivery Time          | Within 7 working days after deposit                  |
| Warranty               | Warranty for one year with lifetime maintain service |
| Simultaneously Cutting | 2 pcs (supply ODM service)                           |
| Cable Twisting Length  | 0.1-30mm                                             |
